

25th ANNIVERSARY TGMET CENTER

APGET
Asian Pacific Gynecologic Endoscopic Training Association

MONDAY, 5th MAY 2025

Room CHADRA 1 & 2

Room CHADRA 3

8:00 - 8:30

Registration

8:30 - 9:00

Opening Ceremony

9:00 - 9:45

**KEYNOTE LECTURE #1
"25th Anniversary TGMET Center"
Commemorative Lecture**

Speaker: Pongsakdi Chaisilwattana, Thailand
Prof. Hans-Rudolf Tinneberg, Germany

9:45 - 10:30

**Daring to Develop: Pushing the
Boundaries of Minimally Invasive
Surgery in Gynecology**

Speaker: Clinical Prof. Masaaki Andou, Japan

10:30 - 11:00

COFFEE BREAK

11:00 - 11:30

**E4/DRSP: Promising Endometriosis
Treatment with Uncompromising Safety**

Speaker: Prof. Yutaka OSUGA
Moderator: Amphan Chalermchockcharoenkit

11:00 - 11:20

**Overcoming Challenges
In Laparoscopic Myomectomy**

Speaker: Prof. YUEN Pong Mo, Hong Kong

11:30 - 12:00

**Strategies to Optimize Patient Outcomes
and Mitigate Complications in Surgeries:
Targeting severe pelvic endometriosis
and complex hysterectomies**

Speaker: Assoc. Prof. Alan Lam, Australia

11:20 - 11:40

Advanced vNOTES Surgery

Speaker: Dr. Tomonori Hada, Japan

11:40 - 12:00

Application of ICG in Benign GYN Surgery

Speaker: Dr. SUN Chung-Hsien

12:00 - 12:30

**Mastering Surgical Energy for
Laparoscopic Myomectomy**

Speaker: Dr. Anthony Siow

12:00 - 12:20

**What Single-Port Surgery Taught Me:
insights for all surgical approaches**

Speaker: Dr. KIM Tae Joong, Korea

12:20 - 12:40

Overcoming Challenges in Hysteroscopy

Speaker: Asst.Prof.Dr. Navamol Lekskul, Thailand

12:30 - 13:30

LUNCH

13:30 - 14:00

**KEYNOTE LECTURE #2
Minimally Invasive Surgery in Ovarian Cancer**
Prof. Chyi-Long Lee MD, Taiwan

14:00 - 14:30

**Illuminating the Path to Surgery: Extensive
surgery under high quality images and
applications of ICG in Enhancing Surgical
Outcomes for Gynecologic Malignancies**
Prof. Hiroyuki Kanao, Japan

14:00 - 14:20

**Siriraj Cadaveric Training Model:
The way forwards**

Speaker:
Asst. Prof. Napakorn Sangchay, Thailand

14:30 - 15:00

**Sacral Radiculopathies:
What are the Main Etiologies**
Prof. Marc Possover, Switzerland

14:20 - 14:40

Posterior Compartment DIE

Speaker: Dr. Abhishek Mangeshkar, India

15:00 - 15:30

**All-in-One Ultrasonic Technology:
The harmonized multifunctionality
for optimal sealing, cutting, and dissection**

Speaker:
Asst. Prof. Pattaya Hengrasmee, Thailand
Moderator:
Asst. Prof. Col. Kraingsak Sirisakpanich,
Thailand

14:40 - 15:00

**Laparoscopic Cystectomy of Endometrioma:
Good surgical technique does not enough
adversely preventing recurrence and
keeping ovarian reserve**

Speaker: Dr. Ferdhy Suryadi Suwandinata, Indonesia

15:00 - 15:20

**Preop GnRH Agonists for DIE Surgeries:
benefits & limitations**

Speaker: Dr. Prudence V. Aquino-Aquino, Philippine

15:20 - 15:40

Minimally Invasive Hysterectomy for Large Uteri
Speaker: Dr. Mari Sawada, Japan

15:30 - 16:00

COFFEE BREAK

16:00 - 16:30

**Innovative TG-MET Total Laparoscopic
Hysterectomy**

Speaker: Assoc. Prof. Amphan
Chalermchockcharoenkit, Thailand

16:00 - 16:20

**Applicable Techniques and Strategic
Approach for vNOTES DIE Excision**

Speaker:
Assoc. Prof. Chailert Phongnarisorn, Thailand

16:30 - 17:00

**A new era of surgical
dissection with tripolar technology**

Speaker: Assoc. Prof. Amphan
Chalermchockcharoenkit, Thailand

16:20 - 16:40

Robotic Assistants vNOTES. Hysterectomy

Speaker:
Assoc. Prof. Aranya Yantapant, Thailand

17:00 - 17:30

Endometrioma: what to do, what not to do
Speaker: Prof. Hemantha Senanayake, Sri Lanka.

16:40 - 17:00

**MIS in Pediatrics & Adolescent Gynecology:
KCMH Experience**

Speaker:
Asst. Prof. Tassawan Rungruxsirivorn, Thailand

25th ANNIVERSARY TGMET CENTER

APGET
Asian Pacific Gynecologic Endoscopic Training

TUESDAY, 6th MAY 2025

Room CHADRA 1 & 2		Room CHADRA 3		Room Sarocha
8:30 - 9:00	KEYNOTE LECTURE #3 Intelligent Approach to Managing Recurrent Endometriosis Pain Before Considering Further Surgery <i>Speaker: Assoc. Prof. Alan Lam, Australia</i>			
9:00 - 9:30	Mastering Ultrasound for Superficial Endometriosis Detection <i>Speaker: Prof. Mathew Leonardi</i>			
9:30 - 10:00	Robotic Hysterectomy in Frozen Pelvis Due to DIE <i>Speaker: Dr. Abhishek Mangeshkar, India</i>	9:00 - 12:00	LIVE DEMONSTRATION #1 <i>Clinical Prof. Masaaki Ando, Japan</i>	Free Communication Presentation
10:00 - 10:30	Post-Surgical Adhesions After Minimally Invasive Gynecologic Surgery: Preventive Interventions & Management Strategies <i>Speaker: Asst. Prof. Pattaya Hengrasmee, Thailand</i>			
10:30 - 11:00 COFFEE BREAK				
11:00 - 11:30	Fertility Enhancing MIS <i>Speaker: Prof. Hans-Rudolf Tinneberg, Germany</i>			
11:30 - 12:00	A Decade of Clinical Breakthroughs in Advance Endometriosis Treatment <i>Speaker: Assoc. Prof. Prasong Tanmahasamut</i> <i>Moderator: Assoc. Prof. Pavit Sutthritpongsa</i>			Free Communication Presentation
12:00 - 13:00 LUNCH				
13:00 - 13:30	KEYNOTE LECTURE #4 Neuropelvicology: Past, Present, and Future <i>Speaker: Prof. Marc Possover, Switzerland</i>			
13:30 - 14:00	A Perspective of Endometriosis Care - Insights from Clinical Study in Thailand <i>Speaker: Assoc. Prof. Krasean Panyakhamlerd</i> <i>Moderator: Assoc. Prof. Korakot Sirimai</i>	13:30 - 16:30	LIVE DEMONSTRATION #2 <i>Assoc. Prof. Alan Lam, Australia</i>	Free Communication Presentation
14:00 - 14:30	Laparoscopic POP Repair With and Without Mesh <i>Speaker: Prof. Jimmy Nomura, Japan</i>			
14:30 - 15:00	Preventing Adhesion in Extensive Retroperitoneal Dissection with A Novel Sprayable Adhesion Barrier Made in Japan <i>Speaker: Clinical Prof. Masaaki Andou, Japan</i>			
15:00 - 15:30 COFFEE BREAK				
15:30 - 16:00	Endometriosis and Extensive Adhesion: Preventing Adhesion in Extensive Retroperitoneal Dissection with a Novel Sprayable Adhesion Barrier Made in Japan <i>Speaker: Clinical Prof. Masaaki Andou, Japan</i>	13:30 - 16:30	CONTINUE LIVE DEMONSTRATION #2 <i>Assoc. Prof. Alan Lam, Australia</i>	
16:00 - 16:30	HIFU - How to select your patients for fibroids and adenomyosis <i>Speaker: Dr. Sevellaraja Supermaniam, Malaysia</i>			
16:30 - 17:00	Managing Endometriosis To Optimize Fertility Outcome <i>Speaker: Dr. Angela S. Aguilar, Philippine</i>
